

BARRIER CALF

Supplementing essential and complete nutrients to your newborn calves during the pre-weaned period is the key to guarantee the health and production of your lactating herd.

Barrier Calf combines with benefits of:

- TERRA-SHIELD® PowerGuard • CEREVIDA® Excell
- PROVIDA® Calf

SQUAREONE® Barrier Calf can improve the performance and health of your calves:

- IgY enteric pathogens
- Remove pathogenic microorganisms
- Stimulate intakes
- Gastrointestinal tract health
- Less scours
- Less mortality
